RESOLUTION

New Delhi, the 7th September 1961

No. F.27-12/60-III.—The question of establishing an organisation for the improvement and development of Spices and Cashewnut which are important foreign exchange earning commodities and play a vital role in the economy of the country, has been engaging the attention of the Government of India for quite some time. Recommendations to this effect were made at the First Spices and Cashewnut Seminar held in May 1958 at Mercara, at a conference on Marketing of Spices, Cashewnut and Arecanut held at Trivandrum in November 1958 and at the meeting of the Governing Body of the Indian Council of Agricultural Research held in December 1958. It was pointed out on all these occasions that though considerable progress had been made in the matter of research and development of these crops, the marketing side had not been developed to an effective level with the result that the grower continued to suffer from serious market fluctuations and declining prices that led to repeated representations from the growers and traders for the formation of a separate organisation to deal with all the problems related to these crops.

2. In the interests of an all-round development of Spices and Cashewnut, the Government of India have now decided to set up an 'Indian Central Spices and Cashewnut Committee' under the aegis of the I.C.A.R. A grant of Rs. 10 lakhs annually would be placed at the disposal of the Council for the purpose of the Committee. The Committee will deal with all aspects of research, development and marketing of these crops and co-ordinate these several activities in an effective manner. The headquarters of the Committee would be at such place as the Committee may decide.

3. The specific function of the Indian Central Spices and Cashewnut Committee will be to assist in the improvement and development of cultivation and marketing of Spices and Cashewnut: the production manufacture and marketing of their bye-products (*vide* list appended) and all matters incidental thereto, by:—

- (i) undertaking, assisting or encouraging agricultural, industrial and economic research;
- (ii) producing, testing and distributing improved varieties of seeds and other planting material;
- (iii) encouraging and assisting in the adoption of improved methods of cultivation so as to increase yield and improve quality;
- (iv) assisting in the control of parasites and insect pests and fungal diseases which affect Spices and Cashewnut in the field, in storage or during transit;
- (v) carrying on such propaganda in the interests of the spices and cashewnut industry as may be necessary;
- (vi) encouraging the curing, grading, purchasing, pooling and marketing of Spices and Cashewnut and their bye-products through co-operative or other agencies, undertaking enquiries and making recommendations relating to storage, transport facility, etc;
- (vii) giving financial and technical assistance to States and organisations engaged in growing, curing, processing, grading, marketing and manufacturing of Spices and Cashewnut and their products;
- (viii) maintaining such institutes, farms, stations, curing arrangements, ware-houses, conditioning and processing plants as may be necessary.
- (ix) collecting statistics from growers, traders and manufacturers on all relevant matters, to assist in effecting improvements in the forecasting of the Spices and Cashewnut crops, and preparing all relevant statistics relating to Spices and Cashewnut and their products and distributing the same;
- (x) advising on all matters essential for the development of the Spices and Cashewnut Industry;
- (xi) advising on such matters as fall within the functions of the Committee referred to it by Government;
- (xii) employing such staff as may be necessary for the proper performance of any or all of these functions;
- (xiii) recommending the maximum and minimum prices to be fixed for Spices and Cashewnut;
- (xiv) recommending from time to time measures to control purchase and distribute imported Spices and Cashewnut, etc. and
- (xv) adopting any other measures and performing such other duties which the Central Government may from time to time prescribe or which the Committee may consider necessary or advisable in order to carry out the purposes for which it is constituted.

4. It is desirable that growers, processors and traders concerned with spices and cashewnut should be represented on the Committee. Subject to a reserve power of nomination by the Central Government so as to permit of appointments to the Committee to meet special requirements which may vary from time to time, the Committee will be constituted as follows:—

1. Vice President, I.C.A.R. (*Ex-officio* President).
2. The Agricultural Commissioner with the Government of India.
3. The Additional Agricultural Commissioner with the Government of India.
4. The Agricultural Marketing Adviser with the Government of India.
5. The Economic and Statistical Adviser to the Government of India.
6. The Statistical Adviser to the I.C.A.R.
7. A representative of the Department of Cooperation of the Union Ministry of Community Development and Co-operation.
8. A representative of the Union Ministry of Finance.
9. A representative of the Union Ministry of Commerce and Industry.
10. A representative of the Central Food Technological Research Institute, Mysore State.
11. A representative from each of the Export Promotion Councils connected with the various Commodities.
12. Eight persons to be nominated by the Central Government to represent the Agricultural Departments of the Governments of Kerala, Mysore, Madras, Maharashtra, Andhra Pradesh, Orissa, West Bengal and Assam.
13. Three persons of whom two shall be elected by the members of the Lok Sabha from amongst themselves and one shall be elected by the members of the Rajya Sabha from amongst themselves.

- 14 Nine persons to be nominated by the Central Government to represent growers of Spices and Cashewnut in India of whom two shall be nominated from the State of Kerala and one each from the States of Mysore, Madras Andhra Pradesh, Maharashtra, Orissa Assam and West Bengal
- 15 Ten persons to be nominated by the Central Government to represent the Spices and Cashewnut Industry
- 16 Such additional members as the Central Government may by notification in the Official Gazette appoint

The tenure of appointment of the members of the Committee other than those who are appointed by reason of the office or appointment they hold will be three years with effect from the 1st April of the year in which they are appointed or such lesser period as may be specified in the notification of appointment

5 The Government of India will appoint a whole time Secretary for the Committee. The expenditure on his pay and allowances will be met from the funds allotted for the Committee

6 The Committee shall continue the present arrangements made by the ICAR with the various State Governments in respect of lands sites and buildings for its various laboratories research stations and the housing of the staff and matters ancillary thereto with such modifications as may be mutually agreed upon. It shall also take over any liabilities and assets which exist with the ICAR on the date when the Committee starts functioning

7 The question of forming the Committee into a registered society will be considered later in the light of the decisions on proposals for the reorganisation of Commodity Committees separately under consideration
